Dear Crystal, Debbie, Sean & Friends:

Thank you so much for your support and for making the holidays a little brighter. Your generous donations of gifts to families receiving services from our agency were greatly appreciated. You truly demonstrated the spirit of the holiday season. Enclosed you will find thank you notes from some of the clients who received your gifts.

Unfortunately, the holidays can be an especially difficult time for victims of domestic violence. The emotional impact on adults and children can be overwhelming. Many choose to flee for safety for themselves and their children because they cannot face another holiday never knowing when the violence will begin.

Your donation helps in our efforts to provide our program of shelter and supportive services for victims of domestic violence. Safe Harbor Shelter, in addition to providing safety, offers a warm and supportive environment to all who come through its doors.

On behalf of those who have benefited from your wonderful gift, I express our gratitude and best wishes for a safe and Happy New Year.

Sincerely,

Jo Anne Mitidieri Sanders
